

REVIVA DELUXE 400P

FINSAUNA

FEATURES

- Spacious front porch for cooling off and relaxing
- Heavy-duty Thermo-Spruce walls and floor deliver exceptional durability and longevity—lasting up to 3× longer than Cedar.
- Best ceiling clearance for barrels on the market (87" interior height)
- Luxurious black accents on hardware, handle, front wall and cradles
- Five-board deluxe angled backrest with a wide bench
- Industry's only upper and lower L-bench layout for barrel
- Full glass front for open, airy feel
- Roof drip edge for effective rainwater management
- Dimmable, dotless LED interior lighting with app-based remote control
- Quick installation: Set up and use the same day
