

KEILA 200

FINSAUNA

FEATURES

- Thermo-Spruce for maximum weatherability, longevity and ease of maintenance
- Thermo-Spruce exterior walls with sophisticated black trim accents
- Lasts up to 3x longer than Cedar
- Rich black & natural wood combination throughout
- Sleek and modern Nordic design
- Wide, knotless Thermo-Aspen benches for maximum comfort
- Solid thermally modified integral floor for placement on virtually any surface
- Deluxe glass front with full-length door handle for contemporary look
- The Keila 200B comes with black paint, making it less expensive than all-black models from other manufacturers
- App-controlled dimmable dotless LED lighting in backrest and under benches
